I. All live stock attached in execution of decrees shall ordinarily be under the care of the Nazir of the Court, who shall appoint, on his own responsibility, one of the process-serving peons to take charge of them. If the services of a peon are not at any time available, an additional peon may be appointed under paragraph 4 of the Rules published by the Notification No. 262, dated 10th January 1880. But the additional fee imposed by clause (2) of the schedules to the Rules published by the Notification No. 261 of the same date, will in all cases be levied after the expiration of five or ten days according to the grade of the Court.

II. If there be a pound, commodious and sheltered, within easy reach of the attaching Court, the cattle may be kept there, under the responsibility of the Nazir : and the pound-keeper shall receive the fee of two annas per diem for the custody of as many cattle as may be attached under each warrant. The sums so paid shall be debited to the surplus proceeds of the process fees levied under the Rules cited above.

III. If the pound be not conveniently situated, or if it be not commodious and sheltered, a covered shed shall be erected in the vicinity of the Court for the custody of attached cattle. The cost thereof not exceeding Rs. 50 shall be debited to surplus proceeds under the process-serving rules.

These rates shall be paid to the Nazir in advance by the attaching creditor, but shall, if the cattle are sold, be deducted from the proceeds of sale, and if the cattle are released from attachment under Section 280 of the Code of Civil Procedure, shall be paid by the person at whose application the cattle are released.

VI. If the cattle be attached at a place distant more than 10 miles from the Court house, the cattle may be left in charge of the Village Patel, to whom shall be paid the sum necessary for the maintenance of the cattle calculated at the rates specified above, and also an additional fee debitable to the process fee surplus proceeds for the custody of the cattle, calculated at the rate of 2 annas per diem. The sums necessary for maintenance of the cattle shall be advanced by the attaching creditor and recovered in the manner specified in Rule 5. And the Village Patel shall be held responsible in the sums so paid to him for the production of the cattle at the place and time appointed for the sale thereof.

VII. Or if the judgment-debtor can give security to the satisfaction of the Court for the value of the attached cattle they may be left in his custody, and he shall be responsible in that amount for their production on the day and at the place appointed for the sale.

VIII. It shall be understood that the only cash payments required from the attaching creditors under these rules shall be the sums required for the maintenance of the attached cattle at the rates specified in Rule 4 to be recovered as stated therein.
